"We carry out weekly moisture and firmness tests at the training ground. The EnviroMonitors vouchers enabled us to purchase a range of measurement tools. It's nice to get something back for the amount of commitment you show to a particular company."

Our business is supported by selected national, regional and local distributors so that we have the best quality and geographical coverage available. To ensure our staff are properly trained, ICL ensures that, where relevant, continuing professional development is completed and staff gain professional accreditation. In the UK, for example, staff are FACTS (FQA) and BASIS qualified.
