

New & Improved Formula - new formula means 1kg pouch plus 12.5L water will treat 50m²

Safe to Use - no PA1/PA6 license and only minimal PPE required

Long-Lasting - continues cleaning and protecting for up to 6 months

Safe - helps to reduce the risk of slips, trips and falls

Guaranteed Results - Block Blitz Pro is guaranteed to clean and improve your hard surfaces

Best Value - Priced from just 10p/m²!

Winter-Ready - helps improve drainage and prevent surface frost

Eco-Friendly - plant and mineral based formula - no bleaches or acids

Presentation - visibly improve all hard surface areas and keep entrances and walkways looking pristine

Time-Saving - no labour intensive pressure washing - simply prepare, apply and wait

Simple - Block Blitz Pro is mixed with water and can be used in most pedestrian sprayers or knapsacks

"Hands down the best product I've ever used for hard surface cleaning!"

Paul White – Head Groundsman, Bloxham School

Coverage

| NO. of 1kg Pouches | Water (L) | Coverage(m2) |
|--------------------|-----------|--------------|
| 1 | 12.5 | 50 |
| 2 | 25 | 100 |
| 5 | 62.5 | 250 |
| 10 | 125 | 500 |
| 20 | 250 | 1000 |
| 40 | 500 | 2000 |
| 160 | 2000 | 8000 |

The new Block Blitz Pro formula requires 50% less water than the previous formula, making it even more efficient and eco-friendly than market-leading competitors.

1kg = **50m²**
Block Blitz Pro coverage

5x1kg = **250m²**
Block Blitz Pro coverage

160x1kg = **8,000m²**
Block Blitz Pro coverage

Eco-Friendly

**MINERAL
& PLANT**
BASED FORMULATION

**+ ACTIVE
BOTANICALS**

Block Blitz Pro is a mineral & plant based formula that uses less water than the market leading products, making Block Blitz Pro the most eco-friendly hard surface treatment on the market.

Application

Block Blitz Pro can be applied all year round, through a range of spray devices such as knapsacks, pedestrian sprayers, and hand-held sprayers.

Block Blitz Pro continues cleaning for up to 6 months after application and re-activates with rain. We recommend that you apply this product 3 times per year to ensure that hard surfaces are kept clean & safe all year round.

Block Blitz Pro is tank-mix compatible with **Glyphosate & RoundUp** to ensure that all weed and moss is killed. Block Blitz Pro is also mixable with **CleanShield** to sanitise surfaces.
